**2021-2025 | Dev Bhoomi Uttarakhand University**

BTech CSE | sgpa-9.5

**2020-2021 | Baluni Public School, CBSE Board**

Intermediate (Class XII) | score-96%

---

## PROJECTS

### Real-Time Code Editor with Face Calling

12, January, 2024 - 04, April, 2024

- Developed a real-time code editor with React and Socket.io
- Integrated WebRTC for face calling, reducing delays

### Self-Driving Car based on Neural Network

05 February, 2023 - 29 April, 2023

- Implemented a self-driving car model in JavaScript with 90% accuracy
- Trained a neural network, improving decision-making by 40%

### E-commerce Website using React.js

10 July, 2023 - 21 September, 2023

- Developed a feature-rich e-commerce website using React.js and Node.js
- Implemented secure authentication, payment integration, and Vercel cloud deployment

---

## ACHIEVEMENTS

### CodeChef Rating

Achieved 3-star rating on CodeChef platform

### Hackathon

Successfully secured the 5th position in the Lakshagriha Hackathon 2024
